

HENRY COUNTY PLANNING COMMISSION

STORM WATER MANAGEMENT FORM

I, _____ current owner of proposed parcel(s), certify that I will provide one (1) or more of the following methods of storm water management for future development on the parcel(s) proposed for Minor Subdivision Application approval (**check all that apply**):

- Proper grading of parcel(s) to accommodate surface water
- New construction and/or use of existing private drainage system
- Approved connection to a public drainage system (written authorization from public jurisdiction must be attached)

Owner's Signature and Date: _____

NOTE:

In an effort to promote awareness concerning proper management of storm water drainage for development in rural and unincorporated areas, the Henry County Planning Commission requires this form for parcel(s) with **no existing residential dwelling**.

Form Approved 6/8/2000; Revised 9/21/2000
